IN MEMORIAM

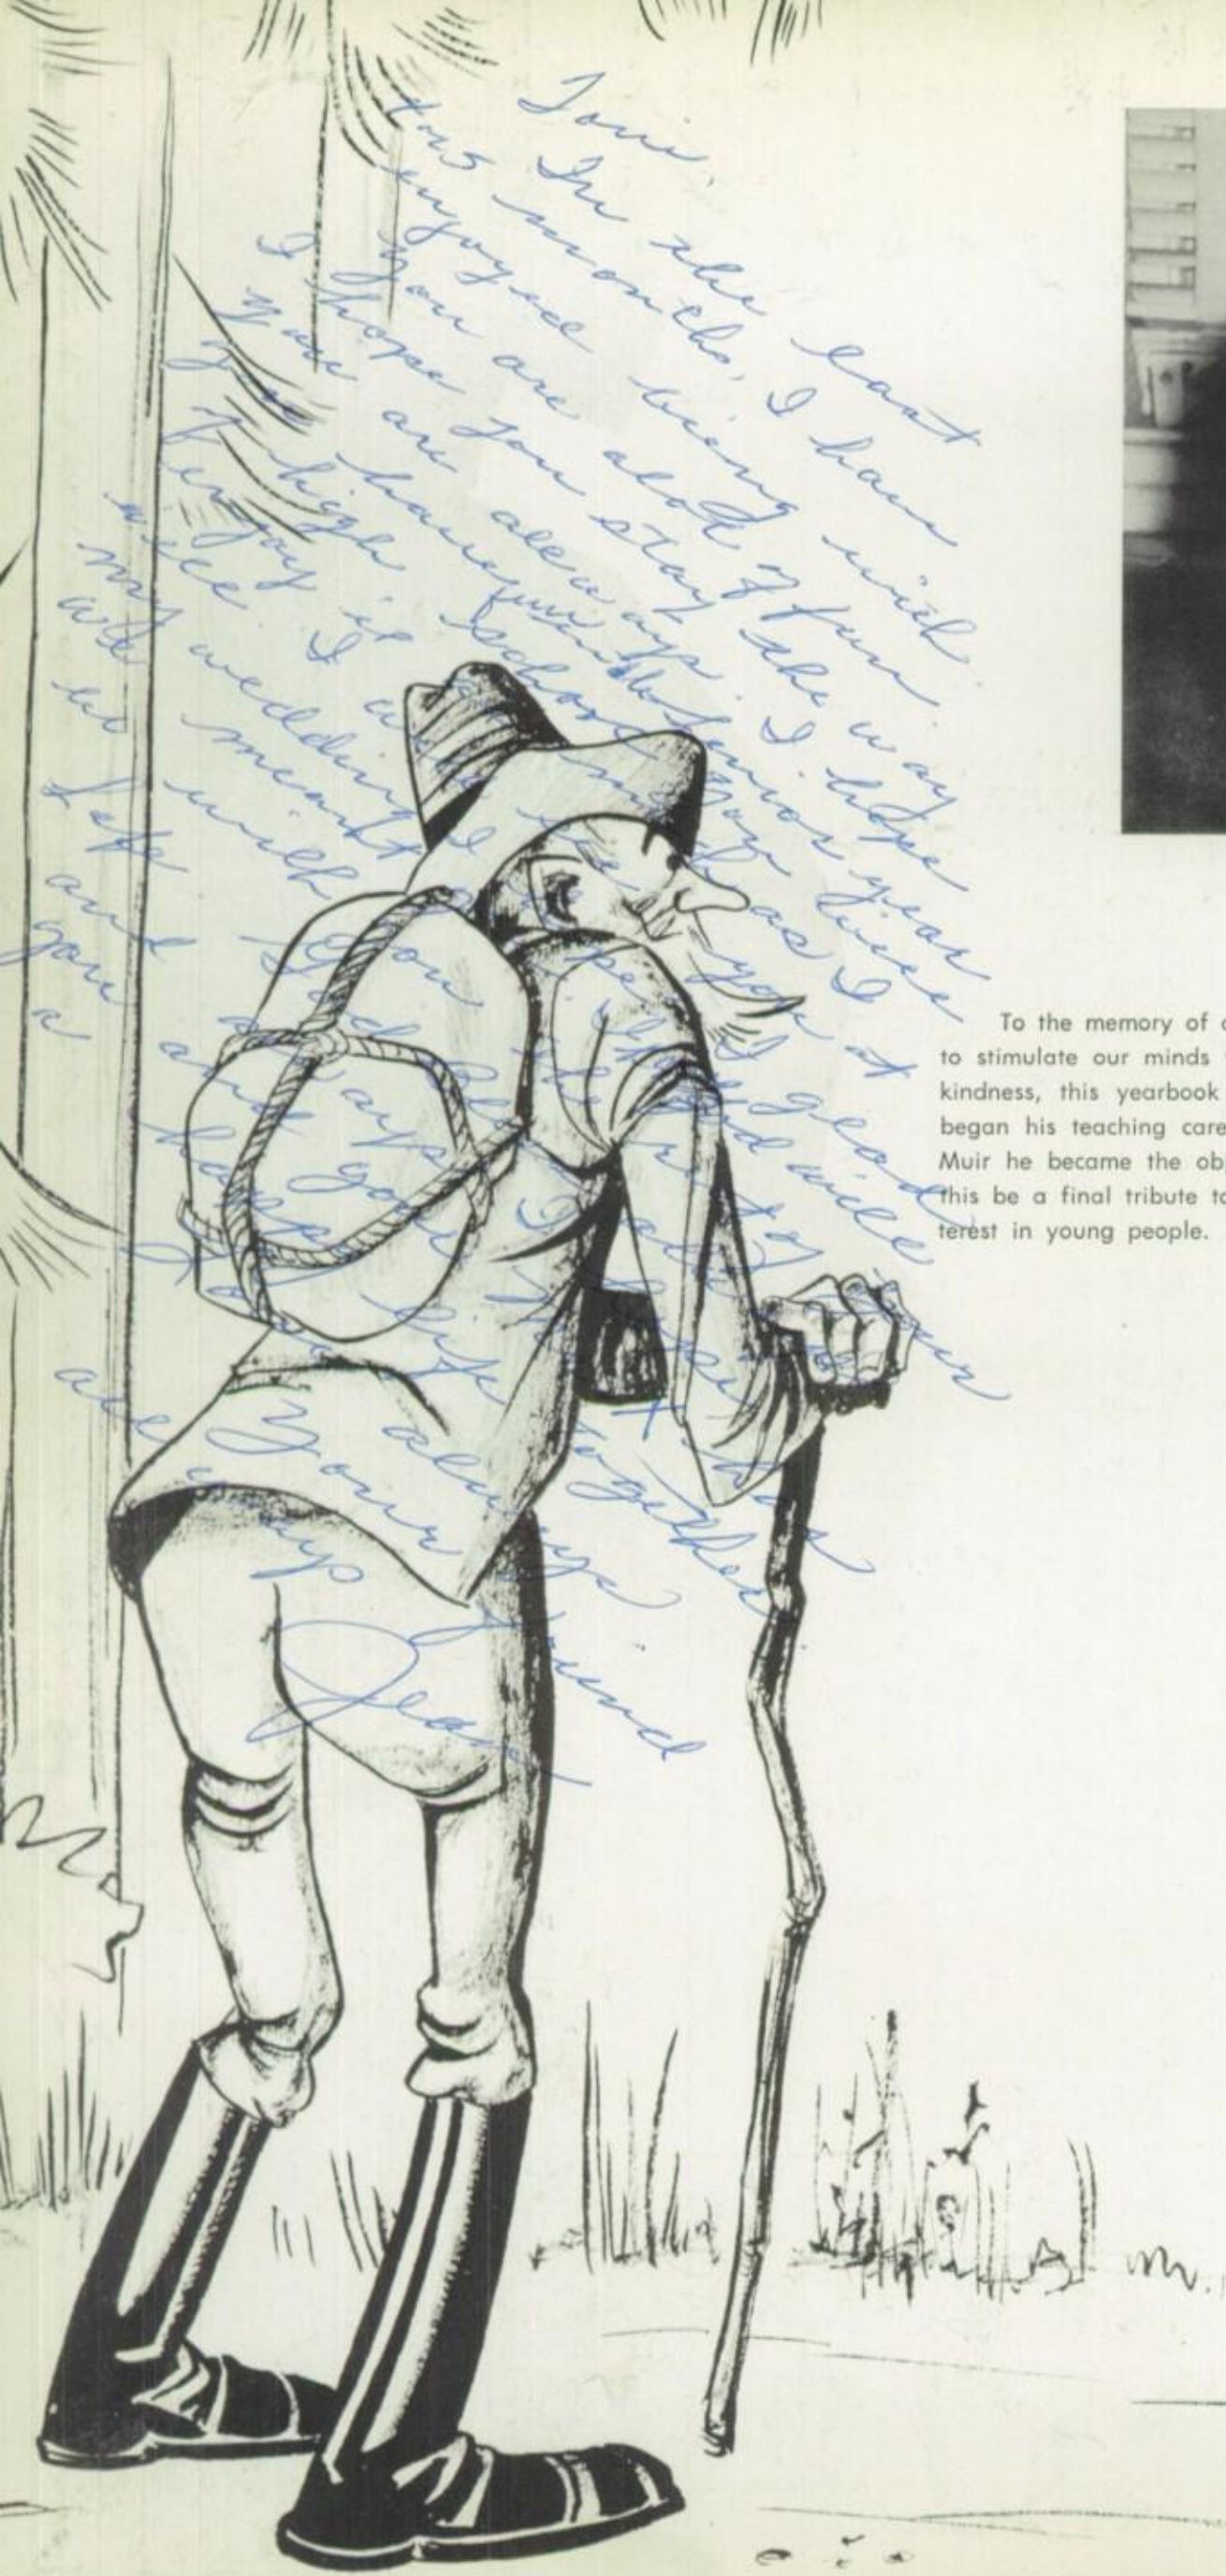

To the memory of a man who helped to mold our characters with his ideas, to stimulate our minds with his knowledge, and to guide us with his unlimited kindness, this yearbook is most thoughtfully dedicated. Mr. Alfred M. Ludlow began his teaching career over 20 years ago and in the short time he was at Muir he became the object of everyone's respect and admiration. Therefore, let this be a final tribute to him as a friend of everyone, and to his everlasting interest in young people.

FOREWORD

He said: "I will follow my instincts, be myself for good or ill, and see what will be the upshot. As long as I live, I'll hear waterfalls and birds and winds sing. I'll interpret the rocks, learn the language of flood, storm, and the avalanche. I'll acquaint myself with the glaciers and wild gardens, and get as near the heart of the world as I can."

In his honor they named living creatures, 200 miles of Sierra trail, a magnificent grove of redwoods, a mighty glacier and our school. He was John Muir.

Characterized at the left, he will be the guide through the pages of the 1958 **Hoofbeats**.

SUPERINTENDENT OF SCHOOLS

Dr. Robert E. Jenkins, pictured to the left, was selected in January from a post in New Jersey to become the new Superintendent of Schools. During most of the school year Dr. Stuart E. Marsee, pictured center right, was the acting Superintendent for the entire Pasadena City School District. He has been instrumental in enlarging school facilities and directing building programs.

BOARD OF EDUCATION

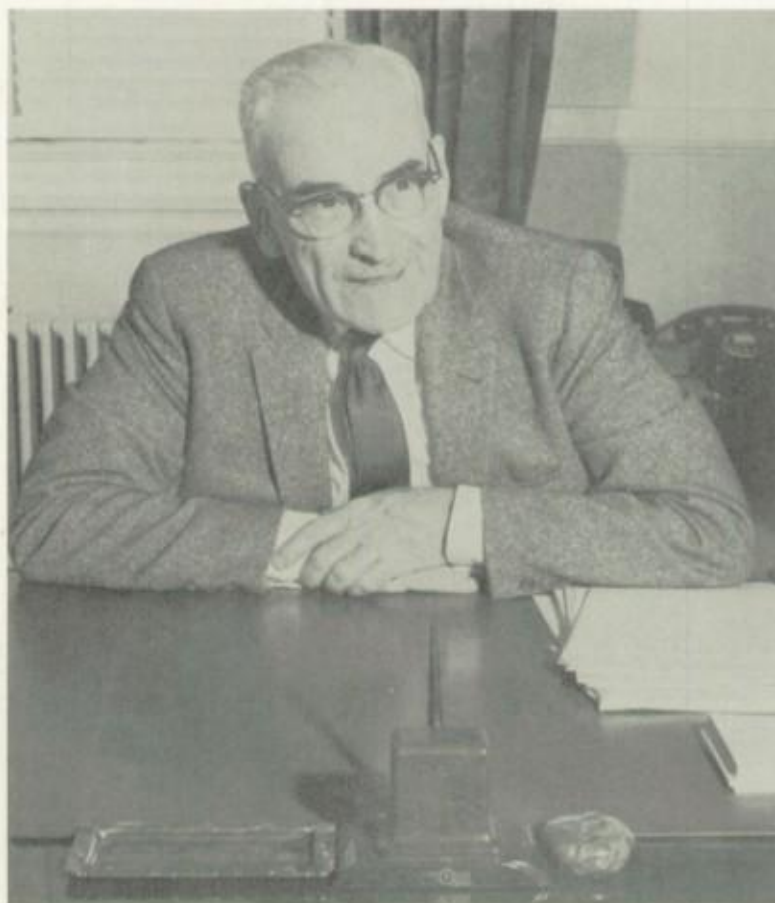

Pictured directly above are the members of the Pasadena Board of Education. Left to right, Mr. Robert Freeman, Mrs. LuVerne La Motte, President Steve Salisian, Mr. Walter Shatford II and Mr. Edgar Barratt.

ASSISTANT SUPERINTENDENTS

At the above right are three men who ably assist the Superintendent. From left to right, Assistant Superintendent for instruction A. Roland Walker, Assistant Superintendent for business Stuart E. Marsee, Assistant Superintendent for personnel Edward H. Rowins.

ASSISTANT PRINCIPAL

In addition to her regular jobs of publishing and coordinating scholarship information, serving as co-chairman of the city wide graduation exercises and acting as administrative adviser to various student government activities, Assistant Principal Lorraine E. Calkins still finds time to advise the Girls' League and sponsor the "Z" Club. Her main job, though, is to coordinate the guidance program.

PRINCIPAL

Principal Frank R. Walkup is certainly the most respected man on campus and one of the busiest, too. Upon his shoulders rest many responsibilities, including the supervision of all school financial matters, the representation of Muir in community affairs and participation in state and national leadership for high school education. He has the never ending job of setting a high standard for both the faculty and student body to follow.

ASSISTANT PRINCIPAL

Assistant Principal Charles G. Bowen is responsible for many extra curricular activities. He handles the advisership of the Boys' League and Athletics Commission and takes charge of the spectator part of the athletic program. His regular duties include making out schedules and teacher assignments, handling school excursions and supervising the grounds.

Counselors Blaze Trail

Supervising John Muir's Attendance and Records Departments is Mr. Everett Stone, Registrar. His job is to see that this important office runs smoothly. Attendance, records, transcripts, the issuing of lockers and lost articles all come under his jurisdiction.

"Work" is a key word for Mr. George Rettie who counsels students in work study, employment and vocational guidance. He is also in charge of issuing work permits, placing students in occupations during the year, and interviewing applicants for off-campus jobs.

Dr. Jesse Moses had many responsibilities, including the duties of twelfth grade counselor, college preparatory work and adviser to the Senior class representative council resting on his shoulders this year. He also devoted much of his valuable time to chaperoning various school functions.

Mr. John McSweeney has served Muir students for four years. This year he has served the junior class, doing a fine job as counselor. Always smiling, Mr. McSweeney helped juniors with programing, adjusting to the school routine, and preparing for college.

Many duties were capably and efficiently performed by Dr. Lucille Burrall in her job as the coordinating counselor of the tenth grade. She worked closely with the other counselors, as well as the faculty, for better co-operation. She was adviser to the sophomore class council and was in charge of the testing program for the entire school.

Muir is extremely proud of her part-time counselors who are pictured to the left. They are, left to right, Mr. Alfred Ludlow, Miss Dorothea Emerson, Mr. John McFarlane, and Miss Harriet Van Osdel. Mr. Ludlow aids the eleventh graders while Miss Emerson helps both eleventh and twelfth graders plus her regular job of advising the ASB Board. Mr. McFarlane and Miss Van Osdel both help counsel the sophomores.

Academic Muir

Demonstrating the use of the giant slide rule in room 218 are left, Mel Roop and right, Jim Duggan. They are members of Dr. John Venable's trigonometry class. This slide rule has proved very useful, and it has made trigonometry more interesting to all of Dr. Venable's students. The slide rule makes example problems simple and easier to understand. Only the advanced students who have had logarithms use it. It does both multiplying and dividing. Classes such as physics, chemistry, and mathematics benefit by its use. There are only two giant rulers in our school.

This is Frank Harper, one of Mr. Ted Knudson's students, demonstrating the many uses of the band-saw. Some of the various things the students make are boats, skis, cabinets, tables, bowls, bookcases, dressers and bongo drums. After the pieces are cut and put together, they are finished in various ways, such as lacquer, varnish and enamel. These boys also make school equipment — handles for pom-poms and parts for desks.

Pictured above is the ASB Board room where the student leaders meet every day third period to discuss and vote on bills and activity sheets. The desks are in four rows and the students sit according to office. The first row contains the executive officers; the class reps and the remaining executive board members sit in the second row; the league and class presidents sit in the third row and the commissioners are in the back row. The cabinets in the front are used for book-store displays and the front desk in the picture is used only when reports are given.

Lance Erickson seems to be thoroughly enjoying the performance of his fellow classmates as they portray their parts in "The Will." This play is just one of many that the members of Mr. Glen Cargyle's first period drama class have presented. In order to teach themselves as well as others the fundamentals of acting, these future actors and actresses practice on short sketches and one-act plays. Pictured on stage from left to right, are Dennis Bennett, Sandy Riherd, Walter Scott and Janetta Gibson.

Sue Gans and John Sunderland are participating in one of the varied features of driver's education offered at John Muir High School. The tests given to students include eye tests, color tests, reaction tests, and brake tests as shown in the picture. These are but a few of the many tests given to determine the student's skill and ability behind the wheel. Driver's education is a required course for all sophomore students to help in eliminating traffic problems and to assist students in acquiring their driver's licenses.

This typical scene in the Home and Family class shows a few of Mrs. Charlotte Botello's students at work. **Seated**, from left to right, are Linda Beck, Dahl Kaiser, Wendy Anderson and Penny Le Boeuf. **Standing**, are Frances Erhardt and Judy Hockenberry. In addition to learning how to get along with other family members, each girl receives instruction on budgeting, room decorations, meal planning, raising children and co ordinating the family and home as a whole.

Campus Government

As ASB President, Kip Eder did an excellent job of governing the student body and presiding over all board meetings. He was one of two students chosen from Muir to go on the Williamsburg trip of 1957. His winning personality and school spirit have made Kip a well-known figure on the Muir campus.

In carrying out his main duty as leader of the ASB Representative Council, Fall ASB Vice President Johnny Whitsett proved his able leadership abilities. A football letterman and an active participant in many activities, Johnny is a favorite at Muir.

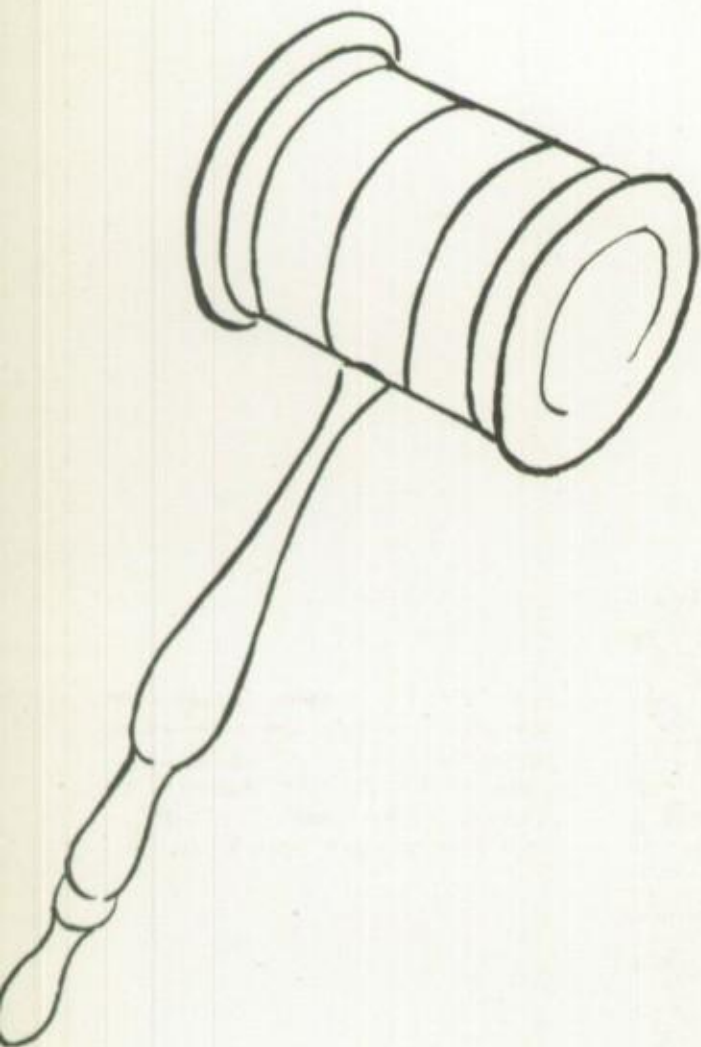

Pert Penny Scott kept an accurate record for all board meetings as ASB Secretary. Penny is also a member of the "Z" Club and represents her school at the California Association of Student Councils, of which she is Treasurer.

Fall ASB Treasurer Cindy Bramble did an outstanding job in her position of handling all money matters. Her pleasing smile reflects her keen interest in all Muirites. Cindy was chosen Miss Model Mustang by her fellow Pep Commission members for one of the football games.

A Sturdy Board ...

Through Miss Dorothea Emerson's genuine interest and guidance, many a Senior has been aided through counseling. Miss Emerson is also known as instructor of the student leadership class and was ASB adviser for the past year.

The following student leaders did fine jobs as their respective class presidents. Left to right, Senior class president Jim Duggan, junior class president Cathy Stack, and sophomore class president Larry Silverman.

Presiding over the Girls' and Boys' Leagues for the fall semester, were Sandi Wondries and Jim Proffitt. Sandi and the Board have fortified the interest of the Muir girls by publishing a Girls' League paper, **The Carrousel**. Due to Jim's efforts the Whiskerino contest and assembly were once again successful.

... Our A.S.B.

The juniors and sophomores were well represented at ASB board meetings by their respective delegates. Shown here are, left to right, sophomore representative Nancy Davis, and junior representative Robin Hoover.

During the fall the responsible position of Supreme Court Chief Justice fell to Steve Burks, who also served as the ASB Parliamentarian.

The judicial branch of Muir's government consisted of the Supreme Court. The nine members were, **front row**, left to right, Mike Stock, Betty Alexander, and Dick Horgan. **Back Row**, Denny Fletcher, Fall Chief Justice Steve Burks, Spring Chief Justice Alan Rubendall and Jim Taggart.

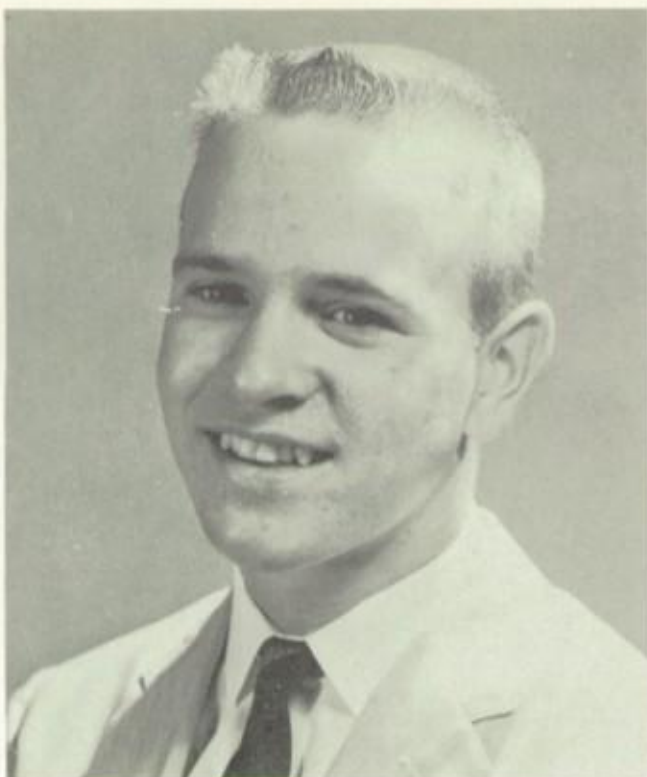

Spring Supreme Court Chief Justice Alan Rubendall ably carried out the work started by Steve and served as the chairman of Muir's constitution committee.

As spring ASB President Jim Duggan held the most important student office on campus, presiding over the ASB Board and heading its many projects. Truly a "Big Wheel on Campus"; Jim was a leader in many activities and a member in good standing of the Key Club.

ASB Vice President Marilyn Boren led the ASB Representative Council in the spring and aided the president and cabinet in times of need. Personable, pretty and popular, Marilyn also held the position of Pep Commissioner in the fall and was chosen "Miss Model Mustang" by the varsity football players.

Another Stalwart Band

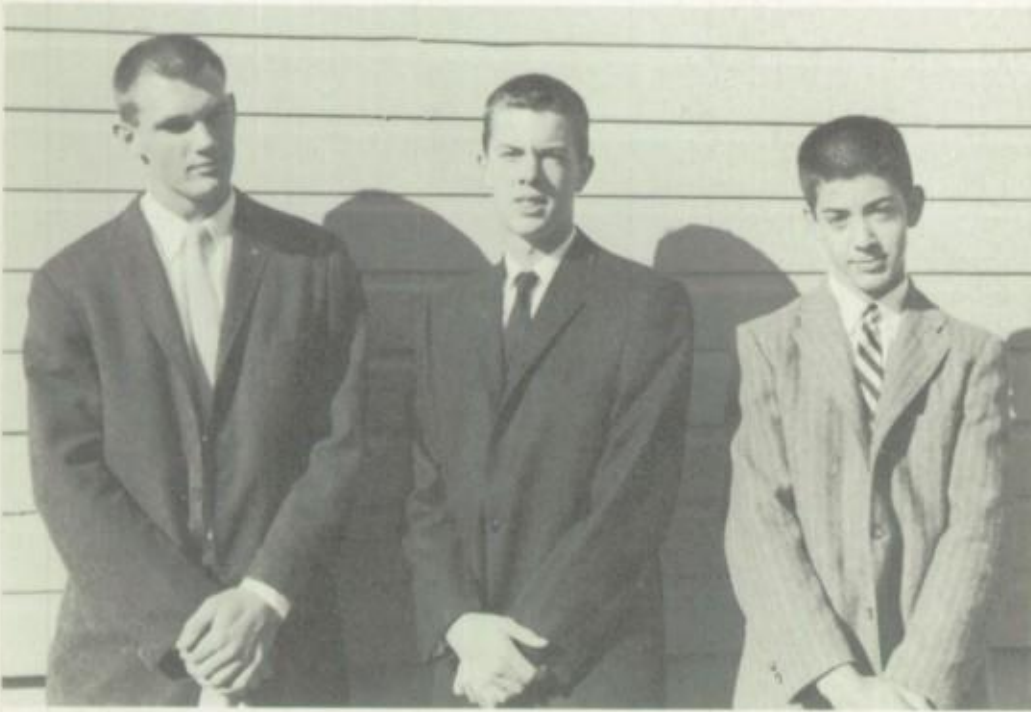

Cindy Bramble, one of the best-liked girls on campus, lent her services as ASB Treasurer to the student body during the spring semester. Carefully managing all student body funds, Cindy proved to be a true asset to student government.

Faithfully carrying out all the many duties of her office, ASB Secretary Nancy Hughes meticulously took notes and minutes during the Board meetings. In addition to being ASB Secretary, Nancy was one of the six song girls.

Spring Senators ...

Left to right are Senior President Brad Smith, Junior President Brian Berenger and Sophomore President Bob Warde. These boys led their respective class councils in the spring and did an outstanding job as student leaders.

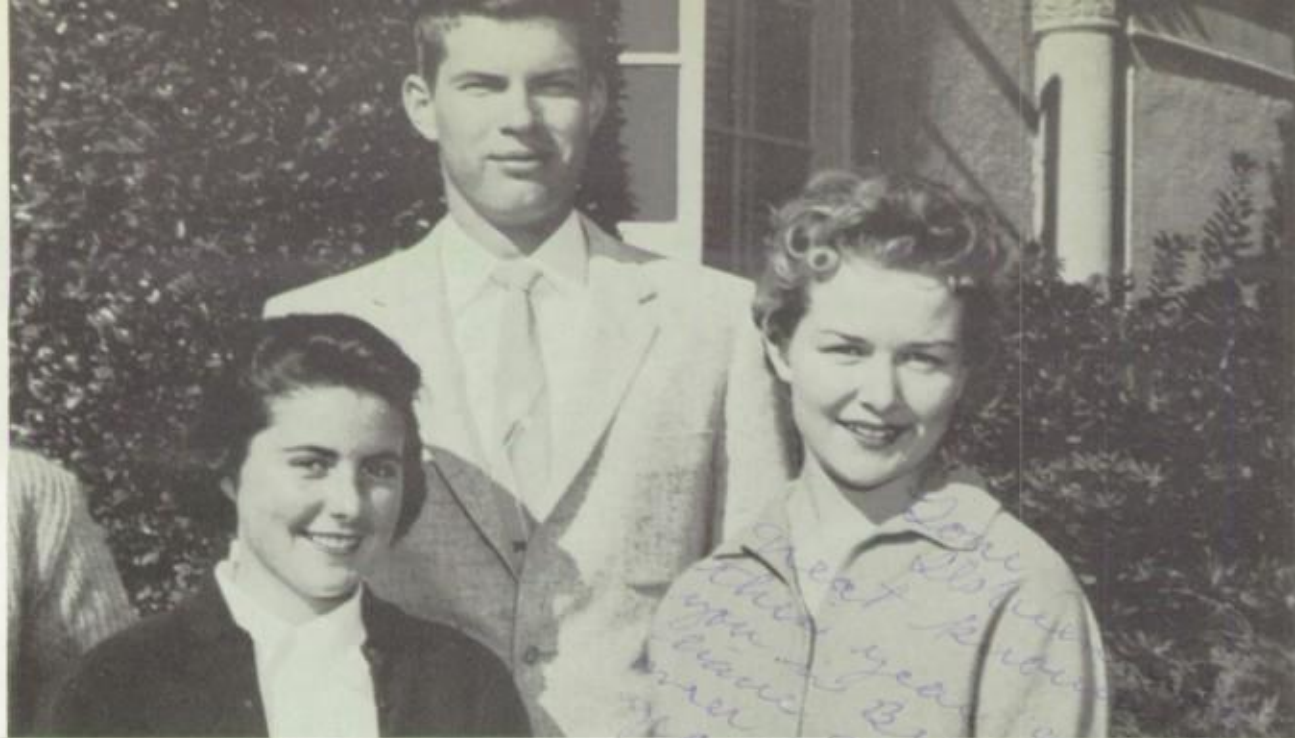

Pictured above are Girls' League President Judy Fosdick and Boys' League President Don Bowers. Judy represented all the Muir girls at the ASB Board meetings. Likewise, Don served as the boys' representative. Judy and Don did terrific jobs in their offices and planned all activities for boys and girls during the second semester.

The spring senators were the representatives of the students who elected them to office. Their over-all duty was to see that the interests of those whom they represented were promoted and protected in all phases of student government and activities.

Serving their respective classes as ASB Board members, Sophomore Rep Kay Cletus and Junior Rep Jim Collister were elected for the spring term.

Presiding officers of the fall ASB Representative Council were these three class reps. Pictured left to right are Junior Class Representative Robin Hoover, ASB Vice President Johnny Whitsett and Sophomore Class Representative Nancy Davis. Johnny served as Rep Council President, Robin as Vice President and Nancy as Secretary.

Don't forget to meet them you have a great year and biology. I'll see you next ac. I'll see you next. Love to, Nancy "58"

Presiding over the Council were Fall ASB Vice President John Whitsett and Spring ASB Vice President Marilyn Boren.

Fall and spring Senior Class Council members, although extremely busy this year, did a terrific job of governing the Senior class. They planned the graduation exercises, Senior Breakfast, Graduation Prom, Senior Picnic, "Senior Privilege Day," and the Faculty-Varsity Basketball Game. These were only a few of the more important activities which they sponsored. Senior Class Council members for the fall, are **front row**, left to right, Minette Learned, Natalie Johnson, Nancy Fox, Marilyn Boren, Roberta Ogden and Gail Pellegrin. **Second row**, Joyce Perna, Snighild Johnner, Pat Tingey, Laurie Mallory, Nadine Yuge, and Olive Fellows. **Back row**, Sandy Shubert, Jerry Downhower, Jim Duggan, Mike Hall, Dave Pilkington, Tom Glenn, Don Scher, and Rick Walker.

Sophomores Speculate

The sophomore class, largest at Muir, has been very active in this their second year. They sponsored the ma-ad "Mad Ball" class party and the traditional Sweetheart's Dance. In the fall the tenth grade had an all-sophomore assembly, which explained the functions of the class council and featured a special talent show.

This year, with the re-writing of their constitution, they have become a service organization in addition to being a very popular activities club.

Ed Hume, President of the Mountaineers again for the second semester, did a swell job in helping to organize the club's many activities.

Shutterbugs Socialize

The Shutterbug Club has many activities. At their meetings, they hear well known photographers, who show their work and demonstrate techniques. They go on trips to picturesque places such as Corriganville for a day of picture taking and fun. These amateur photographers have a lot of kicks.

One of Muir's most popular clubs is the Shutterbug Club. The officers are holding antique cameras, from left to right, president Doris Graf, vice-president John Crawford, secretary Roberta Ogden, advisor Mr. Lee Moyne Mark and treasurer Frank Rouser.

Soon after school began last fall, the Shutterbug Club enjoyed an excursion to the Los Angeles County Fair. The photography building, where the group is pictured, would naturally be a place of great interest to our popular club.

In a Shutterbug meeting in the Social Hall, Mr. William Garnett, winner of two Guggenheim Fellowships, talks to club members. Mr. Garnett has had many photography portfolios in national magazines. Here, he displays all the aerals from his traveling exhibition.

Among the Shutterbugs to go on the trip to Corriganville in November were Joan Greenlea, Judy Biggle, Wendy Anderson, Robert Bruckner, John Crawford, Diane Culver, Gayle Worland, Jean Diederich, Sheryl Lehman, Doris Graf, Suzanne Winklebauer, Nancy Klages, Jenie Siglar and Marilyn Ecclestone.

Among the many activities the Shutterbugs enjoyed was the Christmas party. At the left is Tina Hansen, and under the mistletoe are Chris Toy and Judy Asmund, with Martin Capune serving as temporary butler. Joe Miller watches the proceedings.

Shutterbug Activities

Shown to the right are the beautiful trophies before they were presented to Miss Shutterbug and her court. Miss Shutterbug's name was engraved on the center trophy after she was chosen.

One of the most important activities of the Shutterbug Club is their annual Miss Shutterbug Contest to find—among her other qualities—the most photogenic girl on campus. This is determined by the students' candy bar votes and the opinions of various authorities in the field.

Parading before the judges is a typical group of contestants, vying for the title of Miss Shutterbug. From this group, 43 were chosen to be semi-finalists. From the semi-finalists the Shutterbug court and finally Miss Shutterbug were chosen.

Handwritten notes:
 I had a real adorable girl who I have enjoyed knowing for years. I was with her during the last year, you know, sure if she also continues being high school a blast come summer.
 I hope you will be good & my pool this summer. Lots of luck always, Nancy L.

The original group of contestants running for the title of Miss Shutterbug are getting a few pictures of them taken by an industrious "worker" from the photography class.

Juniors Maintain Matchless Fame

Four Muir juniors were chosen this year as finalists for a summer in Europe as a part of the American Field Service. They are Brian Berenger, Mike Stock, Carol Sullivan and Robin Hoover who is pictured at the left reading an AFS program.

The first sophomore class at Muir, this year's junior class, again was very active. Perhaps one of the most important features of the junior year is the American Field Service. This program is designed to enable foreign students to spend the school year in this country with American families, and to send American teenagers to live with European families during the summer. The only requirements are that the person be a junior in high school and will be a senior next year.

One of the highlights of the junior year is the sponsoring of the traditionally beautiful Spring Formal. Typical of the many juniors who spent a very enjoyable evening are dancers Joe Miller, Marilyn Ecclestone, Barbara Bennett and Ben Reiling.

Sophomores Sustain the Same

"Toys for Tots" was a campaign to play Santa Claus to underprivileged children in the Pasadena area. Holding the toys for tots are Nancy Davis, fall semester sophomore representative and Larry Silverman, fall semester sophomore president. This drive was successful in providing many children with toys for Christmas.

The Sophomore Sweetheart Dance was climaxed when Kathy Gilbert was announced as the Sophomore Sweetheart of 1958. The pretty princesses that adorned the court were Sue Stoddard and Sandy Riherd. Kathy was crowned by Dally Zibas, last year's Sophomore Sweetheart.

*Hi Toni,
 Been great knowing
 you this year! Wish
 you could have had
 6th period gym the
 year. Have a blast
 this summer and be
 good!
 Always,
 [Signature]*

The sophomore class has been very successful this year in showing its interest in the school and taking part in activities on the campus. Some of their activities consisted of dances, candy sales, needy drives to help underprivileged children, and other projects for money-making purposes.

The "Mad Ball" party, a get-together for the new sophomores, was a huge success. Dancing and games were enjoyed by all! Performing at the party were the Del-Reys, a singing group from Muir.

The **Senior Edition** was also a part of the work done by the **Blazer** staff. Deadlines had to be met promptly on every other Monday, with headlines due on Wednesday of the same week. The page editors for this year were Pat List, Bob Bass, Jorjan Snyder, and Bonnie Ward, while Frank Casella and Freddy Robledo were the sports editors. The **Senior Edition** required a lot of work, both in class and after school. Barbara Tilley was editor and Frank Casella served as assistant editor.

Hoofbeats' Art Staff Designs Yearbook

Going over layouts for the yearbook are Art Editor Priscilla Hall and Assistant Editor Frank Garrett, through whose skill and patience the **Hoofbeats** art work achieved perfection. They devoted much of their time to carrying out the many duties of their positions.

The art **Hoofbeats** class under the direction of Miss Louise Selin, skillfully created and produced the unique art work in the yearbook. Transferring only rough ideas onto tissue in September, they saw their ideas come to life in the pages of the yearbook.

Pictured above, left to right, are Bob Sharp, James Sfein, Alvin Benn, Dave Medina, Richard Messier, Raymond Prothro, John Wichmann, Stan Hampton, Michael Kluse, Victor Suzuki and Chuck Clendening.

As an instructor of the graphic arts in Muir's print shop, Mr. Julian Mazzarella supervised the printing of the **Blazer**, pep cards, campaign tags and tickets for students and their organizations throughout the year.

Senior Officials Govern Class of '58

These two Seniors well-represented their class in 1957-1958. Left is Jim Duggan, the fall Senior class president and a very active person in many school activities. Right is Brad Smith, the spring Senior class president. Brad was a very vital member of the varsity football team.

The gals who were in charge of the upperclassmen's funds this year were Diane Adams, left, and Nancy Fox. Diane paid bills and handled all money matters in the fall, and Nancy took over the treasurer's jobs in the spring to take care of the finances for the prom and graduation plans.

Sparkling Susie and Rugged Richard were pleasant additions to the Senior class executive board during 1957-1958. Susie Shank graced the office during the fall semester and Richard Scott carried out the tradition of a job well done during the spring semester.

This year's senior class has proved to be one of the most active yet. They started out by presenting the successful Senior class party, to which only their own members were admitted. Next, they gave that terrific pizza party, followed by their much-awaited Senior privilege day. As a climax to their well rounded year was the traditionally beautiful Senior Prom.

The difficult job of Senior class secretary was meticulously carried out by Laurie Mallory, left, and Priscilla Hall. Laurie this fall began the year by recording minutes and other correspondence.

SEASON'S REVIEW

Starting the season by blanking Fontana 34-0, Muir played its next two games at home in Horrell Field for two more victories. Clashing with the powerful Oxnard team, Muir went down fighting 38-24. Then the Mustangs came back to beat the five Foothill League teams to win the championship. This made Muir eligible to play Antelope Valley in the C.I.F. finals. While playing in 35-degree weather at Lancaster, Muir lost the game 54-27. Coach Don Hunt led the varsity to victory with such outstanding men as Quarterback Ladd Holton, Fullback Richard Scott, Halfback George Williams, End Toby Hecker and Guard Harry Karsten, all of whom were placed on the All-Foothill League Team. Ladd Holton ended up a perfect season with 81 pass completions,

a 43-yard punting average, was placed on the All-C.I.F. Team, and nominated for High School All-American. Fast, aggressive Richard Scott, also a member of the All-C.I.F. Team, was considered to be one of the best high school fullbacks ever seen in California. The man who made so many points, George Williams, running and fighting his way downfield tallied for 121 points. Another member of the All-C.I.F. Team was Toby Hecker, who excelled in pass receiving and running. Harry Karsten earned a reputation as "one of the biggest little guys around" with his exceptional guarding. These men backed by the greatest bunch of guys ever to gather on a football field at one time are the champs!

Card stunts reached near perfection as the eager rooters' section displayed the skill it had acquired during the season. Among the many carefully planned and executed stunts, the most successful was the outstanding "54-14," the score of the '56 Turkey Tussle, reminding PHS of their previous slaughter.

"V" - Men View Season

VARSITY REVIEW

Muir's Varsity Basketball team had a hard time in the Foothill League, ending up in the cellar. Despite their record, Muir fought to many close decisions. One of the close games was with Glendale. In Muir's first game with Glendale, the game went right down to the wire with Toby Hecker sinking a jump shot to win the game. Then when we met with Glendale the second time, the team was led by Sutherland. This time the score was reversed with Glendale beating Muir by one point. Glendale came from the cellar in the beginning of the season to share a tie for the championship with the Bulldogs of Burbank. Muir was stopped twice by Burbank. The leading scorer for Burbank was Bill Nelson, one of the star players in the Foothill League. Probably the two most exciting games for Muir were with Pasadena, Muir taking the first, and losing the second. Muir's record this year was 3-7.

Driving in for a lay-up against Pasadena is Ladd Holton (56). Pasadena players are, Dick Salsbury (13) and Chris Reiher (11). Muir upset Pasadena 57-53.

The Muir "B's" had a very successful season, compiling a record of 5-5. They managed to grab third place in the Foothill League. In the League opener against Burroughs the "B's" were not as sharp as they could have been, and they dropped this game by a score of 44-39. The second time around however the Muir Colts came back to beat Burroughs 49-46. The Burbank Bulldogs were no match for the Colts as they beat them twice 53-35 and 42-31. The Glendale Hoover team was just a little too strong, for the Colts won the first game 31-28 but lost the second game 50-42. The traditional Pasadena game was disheartening when the Colts lost by a score of 43-31. But the next time around was a different story when they fought and battled to trounce Pasadena 58 to 38.

Spikemen Tack Up Success

The varsity track team members are, **first row**, left to right, Jim Bean, Jaicee Lewis, Victor Suzuki, Mel Clipper, Jim Proffit, Vallie King, Doug Spiers, George Williams and Mike Vincent. **Second row**, Jim Nelson, Richard Scott, Kevin Sperling, Dave Davis, Ted Hone, Nate Sims, Robert Sharp, Eddie Scott, Ron Ax, Darvester Trailer, Art Johnson, Dover McCoy, Ken Blake, Christopher Cattle and Jack Murphy. **Back row**, Keith Jeffries, Don Baer, Robert Hammond, Mike Kimble, Brad Smith, Mike McCoy, Jim Bunch; Dan Allen, Tom Malone, Bruce Jones and Philip Johnson.

Coach Walter Opp led the trackmen through an exciting season.

Muir's talented varsity track team won all of their dual meets until they met Fremont; and set a new high school record in the half-mile relay at El Monte. During these meets, Mel Clipper ran one of the fastest quarter-miles in high school competition. His time was 48.1. Again led by Mel, the Mustangs galloped to the team title in the major division of the 17th annual Pasadena Games. Clipper literally and figuratively ran off with all the honors by being showered with the "Charles W. Paddock Memorial 100" and "Fred Walton Memorial" trophies as he set a new mark in the 220-yard dash of 20.8, rivaling Jesse Owens' 20.7. Muir was truly fortunate in having one of the fastest sprinters in Southern California as "anchor man" for this eventful season.

Talented "B" Tracksters

SEASON'S REVIEW

The Muir "B" track team was loaded with talent and can take pleasure in looking back over a fine year. Joe Jones and Rayvon Mims added to the Colts' many sprinting talents, while Jim Mathey was one of the outstanding high jump attractions. Arthur Jenkins and Lester Yamamoto proved invaluable in the 120 low hurdles. The shot put event was led by Jim Meeks, and the distance races by Nate Sims and John Swanson. When this book went to press, the team looked as though it would go a long way in the Foothill League.

SEASON'S REVIEW

At time of publication, Muir had high hopes for their Varsity baseball team. In pre-League competition, Muir won three and lost two. Among the many potential stars was Roaland Sharp, figured by many professional scouts as a great Major League prospect. Roaland, in pre-league competition, hit .273, the highest of the regulars; and after two league games, had .333. In the league opener, Jack Dumler hit a 350-foot blast for a homer, but Muir was toppled, 7-6.

SEASON'S REVIEW

Coach Jack Hollen's gymnasts had themselves a very successful season this year by continually disposing of their opponents in fine fashion. With Senior Bob Lynn leading the squad in the scoring department, the boys from Lincoln Avenue seemed to glide over their victims with lots to spare. With other such talented gymnasts as Pete Nelson and Doug Beernink on the side horse, Allan Carpenter on the high bar, Bill Gardner on the mats and Darryl Henriques doing his excellent routines in the free exercise, the Muir "muscle-men" had an easy time in winning the Foothill League championship. Coach Hollen and his crew certainly deserve a lot of credit for a job well done.

SEASON'S REVIEW

Muir's golfers looked good in their pre-league matches, winning all of them. However, because of one man's ineligibility, the team was forced to forfeit their first six matches. Little Carl Erikson a junior, displayed some of his great form and technique in many of the matches. Doug Clark, another junior, was Muir's top golfer this year, leading the team to many victories. The majority of Muir's team was made up of juniors; however, the few seniors proved themselves also. Dave Priest, a senior, was exceptional in Foothill League competition.

The Muir swimming team, led by Lynn Myers and Bill Russom, haven't had an up-to-par season, losing four out of their first five meets. Although not having a tremendous team, they have many outstanding men, among them are Lynn Myers, a sensational butterfly and free-style man who has won many races to help in the scoring for the team, and Bill Russom who was a good contender in the one hundred yard freestyle and the fifty yard freestyle. Rick Petterson, only a sophomore, promises to be one of the best swimmers on the team. He is already pretty close to breaking a record in the butterfly stroke.

SEASON'S REVIEW

The sharp looking racquet men from Lincoln Avenue started the season in good fashion as they narrowly edged out Rosemead by a score of 4-3. Leading the wins for the tennis team were Toby Smith, Lee Myers and Bob Whitehill. In the second non-league match they ran over a weak Alhambra by a score of 7-2. Their first league match against Burbank proved successful as they managed to squeeze by the Bulldogs (4-3). Coach Leveille was putting the weight on the shoulders of Toby Semith as first singles for the netmen. Due to an early deadline, the results of the succeeding matches could not be obtained.

Lee Myers and Bob Whitehill combine to make up the second and third singles for this year's squad.

Playing a lively doubles game of badminton are Diane Sims and Judy Sague. Badminton is one of the Muir girls' favorite spring sports. Played both singles and doubles, badminton participation has increased tremendously in the past years. "Everyone watch the birdie!!"

Among the many activities offered for girls is modern dance. It gives a girl the opportunity of expressing herself and creating new and interesting dance movements. It develops poise and grace and gives flexibility to the body. The instructor for this class is Miss Betty Morr. Although this year of **OUR LORD 1958** is far removed from the time when the **GENTLEMAN UPSTAIRS** saw fit to take me "elsewhere", I am exceedingly glad to have been "recalled", even if but for a fleeting moment for the purpose of helping to formulate this yearbook as its editor-in-chief. Needless to say, my hands would have been "tied" without the most able assistance of the following, to all of whom my most grateful thanks goes for a job well done!

My assistants **Larry** and **Connie**, who did much more (as all did) than their jobs required.

My photography editor, **Doris**, without whom the outstanding photography of this book would not have been accomplished.

My photography coordinators, **Carol**, **Eileen** and **Phil**, without whom the story could not have been told.

My art editor, **Priscilla**, and her hard-working artists, **Frank** and **Brad**, who so cleverly captured the mental meanderings of the staff.

My section leaders, **Howard** and **Gabby**, who never lost their driving spirit.

To the following faculty advisers goes my especial thanks for their individual efforts and for helping to inspire and develop the talents of all the students concerned with this monumental task so ably carried out:

Burton Anderson, who was my right-hand man in patiently guiding all steps to completion.

Louise Selin, who supervised the layout and art.

Lee Moyne Mark, who so aptly directed his classes to photographic excellence.

And last, but not least, the staff of **YEARBOOKS, INCORPORATED OF CALIFORNIA**, and **Mickey Dunlap—Bert Turney**, Senior Portrait Photographers.
